**EUT Housing and
Board View 1****EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) component, labeled 'View 1'. The board is irregularly shaped and features two large circular silver solder pads on the left side. A small black component is mounted on the right side. A multi-colored cable (yellow, red, blue, green) is connected to the top of the board. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
Solder Board-Component View 2	 A photograph of the same green printed circuit board (PCB) component, labeled 'View 2'. This view shows the opposite side of the board, revealing various electronic components including a large black integrated circuit (IC), several smaller components, and a multi-colored cable (yellow, red, blue, green) connected to the top. The component is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm.
