Subject: Compliance Statement in Car Manual

Dear Sirs,

Our products with the above FCC ID are marketed together with cars, where it's operation is included in the individual owner's manual of the car.

We hereby assure that the following caution statement as per CFR 47, §15.21 is included in a prominent location of the owner's manual of the cars:

The title **"CAUTION TO USERS"** or **"FCC WARNING"**: **"NOTE"** or relevant title and **"Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."**

In addition, we also assure that the following statement is also included in a prominent location in the manual as per CFR 47, §15.19(a)(3):

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation

The device is fixed installed hidden inside the car. The end user will be informed about the location and the minimum separation distance of 20 cm between the device during normal operating conditions to comply with the RF exposure limits.

If you have any questions, please feel free to contact me at the address shown below.
