

Wireless Charging

USA

FCC ID: QZ9-WCA

FCC Part 18 compliance

NOTE: This device complies with Part 18 of the FCC Rules. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This product may cause interference to radio equipment and should not be installed near maritime safety communications equipment or other critical navigation or communication equipment operating between 0.45–30 MHz.

(a) The interference potential of device or system: "Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation."

Mounting position of the product:

NOTE

This device has been tested for human exposure limits and found compliant at a minimum distance of 10 cm during operation.↔

Thus during the operation of device a distance of 10 cm must be respected in every direction.
