WARNING AVERTISSEMENT

Do not tamper, risk of electrical shock. This controller is not a disconnect. Power may be restored any time. One or more disconnects must be opened before servicing this controller or appliance. To reduce the risk of electrical shock do not connect to a circuit operating at greater than 150 Volts to Ground.

Ne pas altérer, risque de choc électrique. Ce contrôleur n'est pas une déconnexion. L'alimentation peut être rétablie à tout moment. Une ou plusieurs déconnexions doivent être ouvertes avant de réparer ce contrôleur ou cet appareil. Pour réduire le risque de choc électrique, ne pas connecter à un circuit fonctionnant à plus de 150 volts à la terre.
