To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, we hereby request confidential treatment of information accompanying this application as listed below:

- Electrical schematic diagrams
- Functional block diagrams
- Functional and operational descriptions
- Parts lists

The type of information listed above is not normally made available to our customers, competitors, or to the public. Public disclosure of this information could unjustly be used by our competitors to learn schemes and techniques that are intellectual property of Elster Solutions, LLC.

We also hereby request Short Term Confidentiality for the material listed below for a period of not less than 180 days for after the grant as outlined in Public Notice DA 04-1705:

- External photographs
- Internal photographs
- Test set-up photographs
- User's Manual

The applicant understands that pursuant to Section 0.457 of the rules, disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

Steve Worth
