

# Product Diversity Description Table

1. Applicant's name: Advanced Radiotech Corporation

2. Original Model No.: FLEX 12HRX 、 FLEX 8HRX

3. Diversity Description:

1. Circuit Diagram: ☒ No  
☐ Yes, please list.
2. PCB Layout: ☒ No  
☐ Yes, please list.
3. Internal Component: ☒ No  
☐ Yes, please list.
4. Appearance: ☒ No  
☐ Yes, please list the color...etc.
5. Function/Capability: ☒ No  
☐ Yes, please list.
6. Others: ☒ No  
☐ Yes, please list.

| 差異敘述 Diversity Description           | 系列型號 Series Model                |                                  |
|--------------------------------------|----------------------------------|----------------------------------|
|                                      | FLEX 12HRX                       | FLEX 8HRX                        |
| 發射機 Transmitter                      | O                                | O                                |
| 接收機 Receiver                         | O                                | O                                |
| 輸入電壓 Input power                     | 12~24VDC                         | 12~24VDC                         |
| 按鍵數量 Number of buttons               | 12                               | 8                                |
| 固態繼電器數量 Number of solid state relays | <b>6+3</b>                       | <b>4+3</b>                       |
| 尺寸差異 Size                            | 197mm (L) x 153mm (W) x 50mm (H) | 197mm (L) x 153mm (W) x 50mm (H) |
