Re: FCC ID: R7PEG1R1S6

To Whom It May Concern:

The following application is submitted on behalf of our client, Landis+Gyr Technology, Inc., for evaluation of their model G5 Integrated FOCUS AXe for modular approval certification under FCC Part 15.247.

The G5 Integrated FOCUS AXe is an electric meter that contains one (1) 900MHz radio module operating in the frequency hopping range of 902 – 928 MHz and one (1) 2.4 GHz ISM radio module.

The G5 Integrated FOCUS AXe was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
