7	Charging Case Power ON/OFF Switch
8	Charging Port

INSTRUCTIONS FOR USE

Charging Instructions

The Charging Case and Bluetooth Earpods come with a built in rechargeable battery. Before using it for the first time we recommend you charge the battery fully. Use only the supplied USB cable for charging.

To charge the Charging Case (without bluetooth Earpods inside the charging slots)
Connect the USB cable to a computer USB port or any USB charging source, and the Micro USB plug to the charging port of the Charging Case. The Charging LED indicator flashes red to indicate that its built- battery is being charged. It takes 3 hours for the case to charge fully. When the battery is fully charged, the Red LED light will remain on.

3

To charge the Bluetooth Earpods

1. After fully recharging the Charging Case, disconnect the USB cable.
2. Put the Bluetooth Earpods into the charging slots correctly and securely.
3. Short press the Power ON/OFF Button on the Charging Case to begin charging the earpods (with Blue Power Indicator), the LED light indicator on the Earpods turn red to indicate that the battery is being charged. It takes 1-2 hours for the Earpods to fully charge. When the battery is fully charged, the LED light will turn blue.

Turn on/off the Bluetooth Earpods

Press and hold the MF button for 3-5 seconds to turn ON or OFF the Earpods.

A. Pairing either one of Bluetooth Earpods with Bluetooth devices (smart phone or tablet etc)

- Press and hold the MF button of the Earpod for 3-5 seconds to turn on, you would hear voice message "Power ON" and the LED will flash red and blue.
- Bring the Bluetooth Earpod and Bluetooth device (smart phone or tablet etc) no further than 3 feet apart from each other.
- Activate the Bluetooth function on your mobile device. Please refer to the manufacturer's instructions for instructions on enabling Bluetooth on your device.
- Once you have activated Bluetooth on your mobile device, select the "TWS HARMONIX" from the list of available Bluetooth devices.
- If required, enter the password "0000" to confirm & finalize pairing.
- Once paired successfully, you would hear voice message "Connected" and the LED will flash blue slowly.
- You can now start to use the Earpod.
- If pairing is unsuccessful, turn off the device first and then follow above steps again.
- Once you have paired the Bluetooth Earpod with a mobile device, the Earpod will remember this mobile device and will pair with it automatically in the future, every time its Bluetooth is activated within the range. You do not need to re-pair any previously connected devices.
- The Bluetooth Earpod will attempt to automatically connect to the last device it was paired with when switched on. If you want to pair it with a new device, please follow the steps outlined above.

Making a call with the Bluetooth Earpod in Bluetooth mode

Basic operation

Function	Operation	Button
Answer incoming call	Incoming Call	Short press the Phone button to answer an incoming call.
Reject Incoming Call	Incoming Call	Press the Phone button for 2 seconds and release
