The image shows a long, white, rectangular LED light fixture. A yellow measuring tape is placed below the fixture, indicating its length is approximately 22 inches. The fixture has a label with the following text:

TPC
 LED LIGHTING BALLAST
 MODEL: TPC-BL-114-25
 INPUT: 120V AC 60Hz
 LAMP: T5 14W
 MADE IN CHINA
 FOR THIN-KIT USE ONLY

On the right side of the label, there is a UL logo and the text "UL LISTED", "E18108", "WARRANTY: 5 YEARS", and "CLASS: P". Below this, there is a wiring diagram showing the connection of the ballast to the lamp.
