Base – Charging PCB Top View

Base –Charging PCB Bottom View

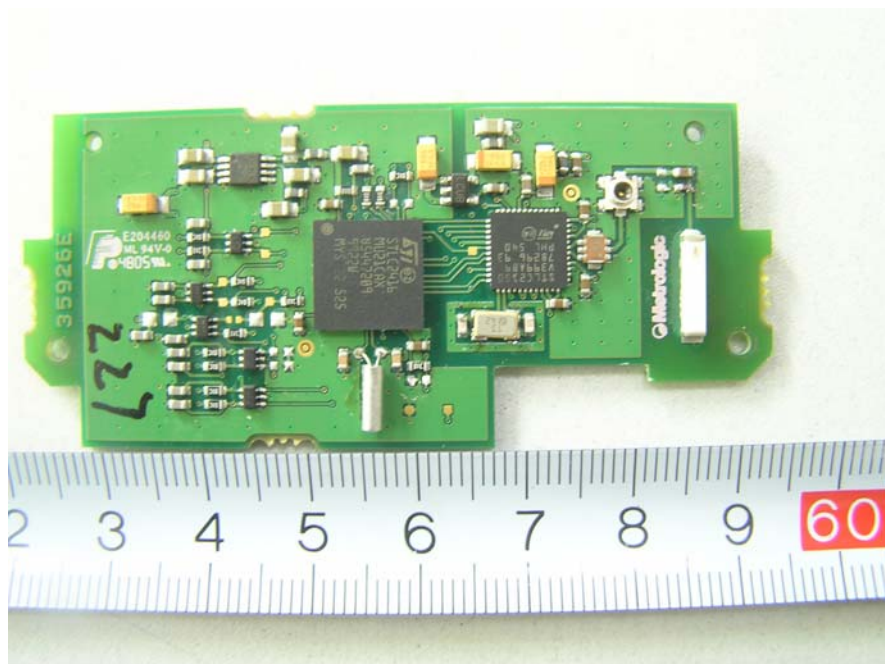

The image shows a green PCB component with the following markings:

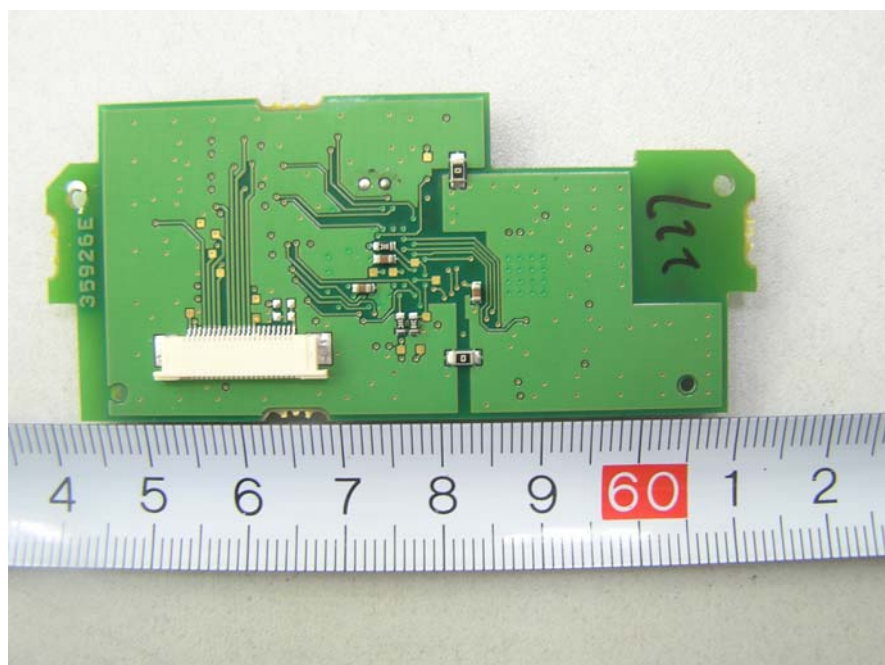

- Metrologic** logo and part number **359865** in the top right corner.
- Part number **E204460** and material grade **ML 94V-0** in the center.
- Value **4605** near the center.
- A stylized **P** logo on the left side.

A ruler at the bottom indicates the component's size, spanning from approximately 1.5 cm to 6.5 cm.
