RE: CONFIDENTIALITY REQUEST FOR
'GPS Bluetooth Receiver GPS4000 ', FCC-ID: RAYGPS4000

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.459. We have requested that the technical specification, schematic diagrams, Parts list and Block diagram (exhibit C, E, F, G, I) required to be submitted with this application be withheld from public review. The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Do not hesitate to contact me if you have any additional questions.

Thank you very much.

Steven Newman, EVP Corporate Development and Finance.
