

Artwork for Omnipod 5 Production:

ACTUAL ARTWORK LAYOUT for OMNIPOD 5 LASER WELDING:

(Note: The “U-100” and “ED1” markings should always match the current build, the below image/laser marking is a simulated version for reference.)

*Artwork not to scale

NOTES:

1. A Omnipod 5 product identifier has been defined per P40264 – Pod lot numbering procedure, and is 12 alpha numeric characters/digits.
2. Insulet Corporation and/or Sub-contractor Flextronics will uniquely laser inscribe each Omnipod 5 Pod product identifier per P40264 – Pod lot numbering procedure.
