Hi, Steve,

Per your comment, we have put the fundamental measurement onto the report and attached.
Thank you!!

BR, Eric

RT for project: AN03T3366 Philip RC RCSRC140A

Subject:

Question #1: Test report P19, Per 15.231(b), both fundamental and spurious E field strength need to be investigated. However, fundamental measurement data is not found. Please supply.

Best Regards
