

The diagram shows the Air Magnet Sensor with a width of 64 mm and a height of 40 mm. The sensor is labeled with the model number AM-5010-11-ag. Below the sensor, there is a section for FCC compliance information, which includes the text: "This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation." Below this text is the FCC logo and the text "Tested To Comply With FCC Standards". At the bottom, there is a large "CE" mark followed by the number "0560" and a warning symbol (exclamation mark inside a circle). To the right of the "CE" mark is the text "S/N:". At the very bottom, the FCC ID is listed as "FCC ID: RD7-AM5010-001".
