

12/10/2004

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Gentlemen:

This letter is to comply with Section 15.203 for Professional Installation.

Intended Use

Digital Path Networks uses this product in an outdoor environment as a last mile wireless internet access product which is installed by trained technicians.

Method of marketing

Digital Path Networks utilizes the product on both a retail and wholesale basis to provide last mile internet access to local and national ISP's.

Sincerely,

A handwritten signature in dark ink that reads 'Brock Eastman'. The signature is written in a cursive, flowing style.

Brock Eastman, VP R&D
