

Telit Communications S.p.A.

Date: July 17, 2020

Product Equality Declaration

To whom it may concern,

We, Telit Communications S.p.A., declare that the differences between the following products are:

Model FN980, FCC ID: RI7FN980

Model FN980m, FCC ID: RI7FN980M

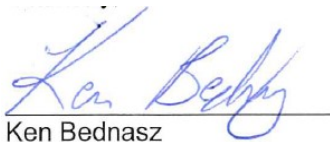

1. The mmWave IF Transceiver and connectors are populated on the model FN980m.
2. The mmWave IF Transceiver and connectors are depopulated on the model FN980.

Except listed above, the other of hardware, layout, software, and radio parameters, are identical between two models.

Therefore, the test data obtained from FN980m will be equivalent to the test data obtain from FN980.

Should you have any questions or comments regarding this matter, please have my best attention.

Regards,

Ken Bednasz
