Ray,

Thank You. Can you please confirm that this is an antenna conducted measurement.

Thank You,

Tim

These are the requested STU measurements for the 1559 – 1605 band.

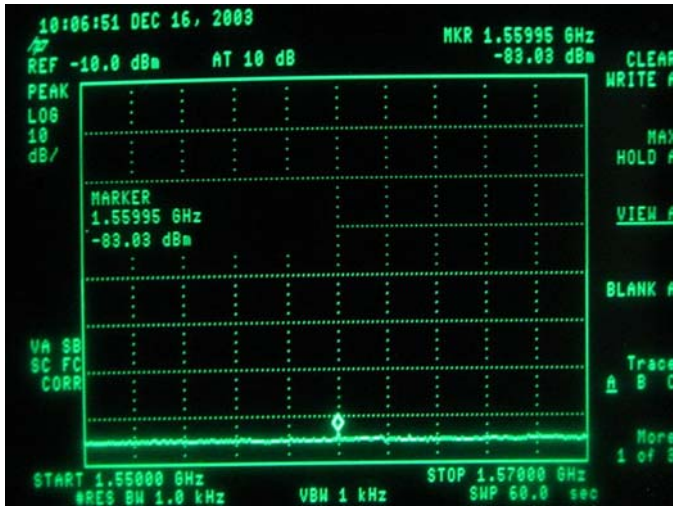

FIG 1: Frequency Span 1550 – 1570 MHz.

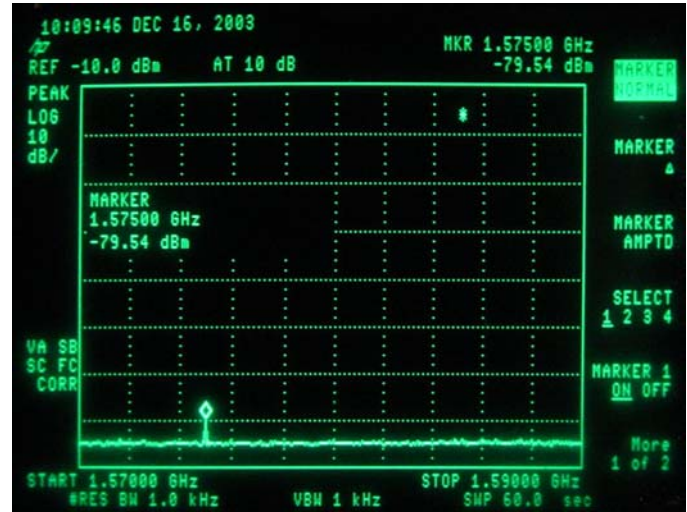

FIG 2: Frequency Span 1570 – 1590 MHz.

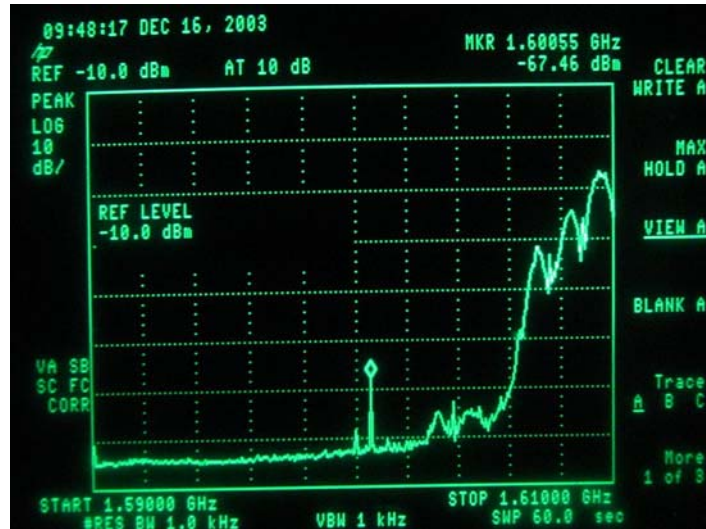

FIG 3: Frequency Span 1590 – 1610 MHz.
