

Molex Technologies GmbH | Mizarstraße 3 | 12529 Schönefeld | Germany

Permissive Change Request Letter for Certification Service in the USA

Federal Communications Commission
Equipment Authorization Division, Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21048

To whom it may concern

Pursuant to CFR § 2.1043 and RSP-100, the company as listed below hereby requests a Class II Permissive Change/Re-assessment.

Model number:	WCH-402
FCC ID:	RK7WCH-402
Granted on:	03/31/2026
Product description:	Wireless Charger Module (WCM)
Brand name:	Molex
Company Name:	Molex Technologies GmbH
Address:	Mizarstrasse 3 12529 Schoenefeld Germany
Phone:	+491735706505

With reference to FCC KDB 178919 D01 Permissive Change Policy v06, Chapter VI C 2) ii), the Applicant hereby requests processing of this application as a Class II Permissive Change for FCC ID RK7WCH-402.

The reason for the Class II Permissive Change request are the following modifications to the original product:

Modifications:

- no hardware changes
- modification in the use configuration/operating condition

The following new exhibits will be uploaded:

- Test report for Part 15C
- Test setup photos
- Operational description
- RF Exposure calculation

The request is limited to including the 127.55 kHz EPP 15 W operating configuration in the existing certification record.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ines Baufeld', is positioned above the signature line.
