Declaration of Availability of User Notices

We, Molex Technologies GmbH, declare on our sole responsibility that the required user notices and/or regulatory statements will be available in English language at the time the devices are offered for sale and/or lease in the USA. This declaration is applicable for the model:

WCH-402 with FCC ID: RK7WCH-402

The following text will be shown in the user manual:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

The device should be used in such a manner that the potential for human contact during normal operation is minimized.

Any changes or modifications not expressly approved by Molex Technologies GmbH could void the user's authority to operate this equipment.

The device has been tested for human exposure limits and found compliant at 0 cm for human extremities.

Please do not hesitate to contact us for further explanations or comments.

Sincerely,

2026-03-20
