802.15.4 PANalyzer

M/N: Q51
P/N: 97-051-603
Date Code: 13219
MAC Address: 00:1C:DA:00:30:0B

5VDC / 350mA Max
Made in Canada

IC ID: 7162A-Q53R6
FCC ID: VD4Q53R6
ICES-003 CLASS B

CE 1177

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
