Request to dismiss FCC ID ROR00000006

Please dismiss the original filing for FCC ID ROR00000006. We decided not to take this product to market as the RF power was reduced in the original filing. As of today we have not sold any of this product anywhere in the world including the USA.

We will resubmit the filing with higher RF power, but there are no modifications to the design of the original product.
