Dear Mr Cobb

Further to our submission for FCC approval for 47CFR Part 24 of the Tempus 2000 Patient Monitor, and with reference to FCC Rules Part 0.459, I request that the following information is to be held confidential on behalf of Remote Diagnostic Technologies Ltd. I request that confidentiality be granted for this material such that it is withheld from public inspection following the grant of this authorisation. This material includes:

- Schematic or circuit diagrams
- Block diagrams

Specifically, these exhibits contain information relating to the circuit function and complexity that could be of benefit to competitors. The materials contains trade secrets and confidential information that RDT does not customarily release to the public and which is otherwise not generally available to the public.

Please contact me if you have any questions relating to this submission.

Regards
