REQUEST FOR CONFIDENTIALITY

Pursuant to 47 CRF 0.459, SPX Corporation requests that a part of the subject application be held confidential. This comprises Exhibits

- (5) Schematics
- (10) Parts List (Part of Exhibit only)
- (11) Description of Operation

SPX Corporation has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product.
