FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy, and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

CAN ICES-3 (B) / NMB-3 (B)

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions: 1. This device may not cause interference. 2. This device must accept any interference, including interference that may cause undesired operation of the device.

⚠ WARNING:

Risk of fire, explosion, and burns. Do not disassemble, crush, heat above 60 °C (140 °F), or incinerate. Dispose of the whole product according to your local recycling or waste regulations — never disassemble. Do not use the item near a heat source such as a fire or heater.

IMPORTANT: BATTERY INFORMATION CAUTION:

1. As with all small batteries, the batteries used with this product should be kept away from small children who still put things in their mouths. If they are swallowed, promptly see a doctor and have the doctor phone (202) 625-3333 collect. If you reside outside the United States, have the doctor call your local poison control center.

2. TO AVOID BATTERY LEAKAGE

- Always follow the instructions carefully. Use only batteries specified and be sure to insert them correctly by matching the + and - polarity markings.
- Do not mix old batteries and new batteries or standard (carbon-zinc) with alkaline batteries.
- Remove exhausted or dead batteries from the product.
- Remove batteries if product is not to be played with for a long time.
- Do not short-circuit the supply terminals.
- RECHARGEABLE BATTERIES: Do not mix these with any other types of batteries. Always remove from the product before recharging. Recharge batteries under adult supervision. DO NOT RECHARGE OTHER TYPES OF BATTERIES.

3. Should this product cause, or be affected by, local electrical interference, move it away from other electrical equipment. Reset (switching off and back on again or removing and re-inserting batteries) if necessary.

DÉTAILS IMPORTANTS SUR LES PILES ATTENTION:

1. Comme pour toute pile de petite taille, garder celles utilisées avec ce produit hors de la portée des enfants qui portent encore des objets à leur bouche. Si elles sont avalées, se rendre sans tarder chez un médecin et lui demander d'appeler le centre antipoison local.

2. POUR ÉVITER LES RISQUES DE FUITES

- Suivre les directives. N'utiliser que les piles recommandées et les insérer en respectant le sens des polarités + et - inscrites sur le produit.
- Ne pas utiliser de vieilles piles avec des piles neuves, ni de piles alcalines avec des piles standard au carbone-zinc.

- Toujours retirer les piles faibles ou déchargées du produit.
- Retirer les piles si le produit ne sera pas utilisé pendant un certain temps.
- Ne pas court-circuiter les bornes d'alimentation.
- PILES RECHARGEABLES: Ne pas utiliser celles-ci avec d'autres types de piles. Les retirer du produit avant de les recharger sous la surveillance d'un adulte. NE PAS RECHARGER LES AUTRES TYPES DE PILES.
- Si ce produit provoque de l'interférence ou s'il en est affecté, il faut l'éloigner d'autres appareils électriques et procéder, si nécessaire, à une remise à l'état initial en l'éteignant et en le rallumant, ou encore en retirant et réinsérant ses piles.

INFORMACIÓN IMPORTANTE SOBRE LAS BATERÍAS

⚠ PRECAUCIÓN:

1. Al igual que con las baterías pequeñas, las baterías incluidas en este producto deben mantenerse fuera del alcance de los niños. Si fueran ingeridas, consulte a un médico inmediatamente.

2. PARA EVITAR QUE LAS BATERÍAS SE DERRAMEN

- Siga cuidadosamente las instrucciones. Utilice sólo las baterías recomendadas y colóquelas respetando la polaridad + y - inscrita en el producto.
- No mezcle baterías gastadas con baterías nuevas, ni baterías alcalinas con baterías estándar (carbón/zinc).
- Retire las baterías débiles o gastadas del producto.
- Retire las baterías del producto en caso de que éste quede inactivo por un largo período.
- No origine cortocircuitos en los bornes del compartimiento de las baterías.
- BATERÍAS RECARGABLES: No las combine con otros tipos de baterías. Retírelas siempre del producto antes de recargarlas bajo la supervisión de un adulto. NO RECARGUE OTROS TIPOS DE BATERÍAS.

3. Si el producto provoca interferencias o es afectado por ellas, debe alejarlo de aparatos eléctricos y, si fuera necesario, reinicializarlo encendiéndolo y apagándolo, o bien sacando y reinsertando sus baterías.

IMPORTANTE: INFORMAÇÕES SOBRE AS PILHAS E BATERIAS

⚠ ATENÇÃO:

1. Siga corretamente as instruções contidas no Manual de Instruções do Produto. Insira corretamente as pilhas e baterias de acordo com as polaridades + ou -. As pilhas e baterias utilizadas nesse produto devem ser mantidas fora do alcance das crianças. Se engolidas, procure atendimento médico imediatamente.

2. Não misture pilhas e baterias novas com pilhas e baterias usadas, ou do tipo carbono-zinco com tipo alcalinas.

3. Não recarregar pilhas e baterias não recarregáveis.

4. Só devem ser utilizadas pilhas e baterias do tipo recomendado ou um similar.

5. As pilhas e baterias descarregadas devem ser retiradas do produto.

6. Atente-se para não causar curto-circuito nos terminais.

7. No caso da não utilização do produto por um longo período, favor remover as pilhas e baterias.

8. No caso deste produto apresentar ou ser afetado por interferência elétrica local, por favor, remova-o de perto de qualquer outro aparelho elétrico. Caso seja necessário, reinicie o aparelho apertando o botão de desligar e ligue-o novamente em seguida, ou, recoloque as pilhas e baterias.

9. PILHAS E BATERIAS RECARREGÁVEIS: Não misture pilhas e baterias recarregáveis com nenhum outro tipo de pilha ou bateria. Remova as pilhas e baterias do produto antes de recarregá-las (se puderem ser retiradas). O processo de recarga deverá ser supervisionado por um adulto.
