Subject: FCC ID: RT491006393

Mr. Christensen ,

In order for processing of this application (FCC ID: RT491006393) to continue, the following issue(s) will have to be addressed:

- 1) Please provide a more detailed operational description, describing what the device is used, modulation type, how the device meets the requirements of 15.231(a), etc.
- 2) If the user's manual is to contain the FCC ID, it should show the actual grantee code instead of "XXX". Please submit an updated manual.

The item(s) indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 60 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.

Please upload your response to our electronic filing website using a correspondence number of "RT491006393-1".

If you have any questions, feel free to contact me.

Best regards,
