Re: Overbreak, LLC
FCC ID RV849915570995

Dear Mr. Dayhoff:

This letter shall serve as confirmation of our intention to surrender the above-referenced FCC ID Number due to technical and administrative non-compliance issues. Only 18,000 units of the subject product, the Micro HoverCopter were sold in late 2005 and early 2006.

All the units were sold to one retail chain and it is our belief that most of the units have been sold through to consumers to date. We engage in no advertising or marketing of this product and have had no complaints about any issues of concern to the FCC. Should any such complaints or issues arise, they should be directed to either me or Overbreak's General Counsel, Elizabeth Risha for handling.

Please feel free to contact either me or Ms. Risha with any further questions or concerns.

Very truly yours,

Elenore L. Trope
Assistant Corporate Counsel
