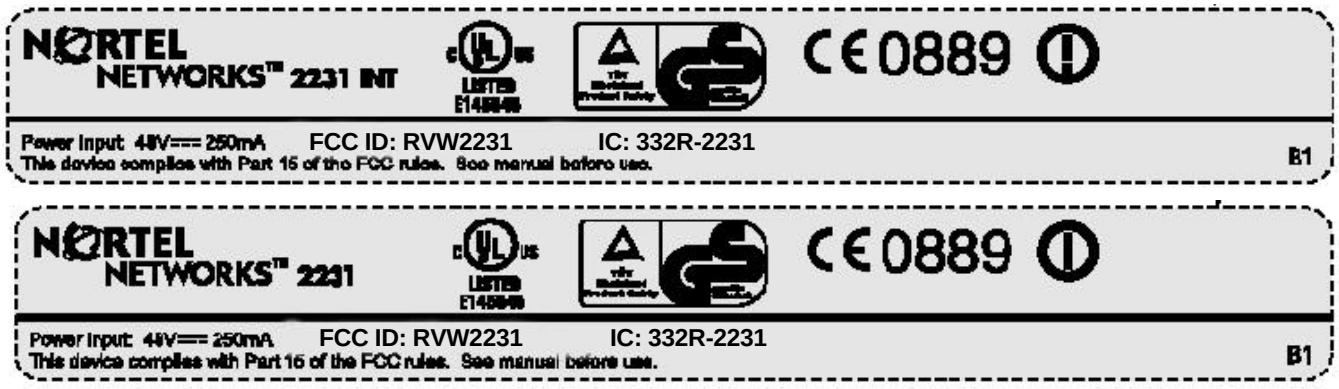
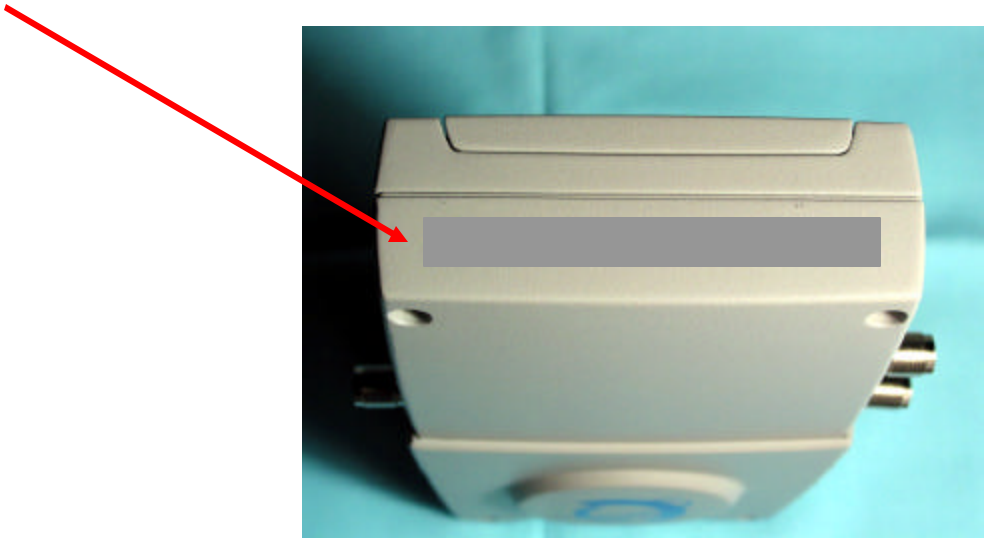
Re: FCC ID: RVW2231
IC: 332R-2231
Certification Application Regulatory Compliance Label Drawing

Gentlemen,




The label shown below will appear on the Nortel access point radio specified above and will be located on the bottom of the unit as shown. Only ONE of the labels below will appear on the unit. The labels have the same FCC ID. The ONLY difference is the model number, denoting whether or not the unit is an internal antenna only radio.
