

Model GE60
Input Rating: 25VDC, 3.0 Amp max
Type: 25VDC Enclosure, Water Proof
NCC CLASS 1 POWER SOURCE ONLY
E211448 ITE
FCC ID: RWM-GE60
This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Made in USA
Label #15: 443 00140

BridgeWave
GE60 Radio

AC ADAPTER

CINCON ELECTRONICS CO.,LTD.

MODEL: TR70A24 01A03

INPUT: 100-240V~1.5A 50-60Hz

OUTPUT: 24V=3.0A

CAUTION:

FOR INDOOR USE ONLY.

For use with Information Technology
Equipment.

S/N: 70240-01A03
