We

Name: Razer Inc.

Address: 9 Pasteur, Suite 100

City: Irvine

State: California

Country: United States

Declare that:

FCC ID: RWO-RZ090368

- a. The device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
- b. This device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP it will not continually repeat the request.
