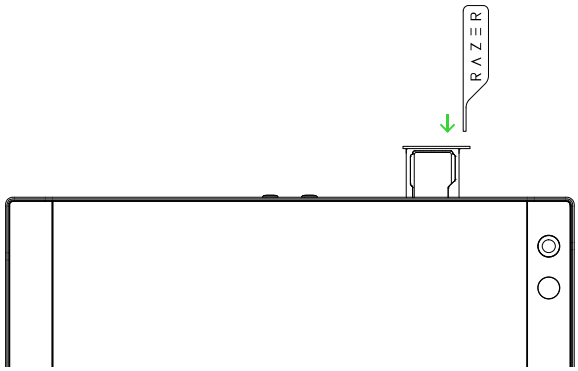
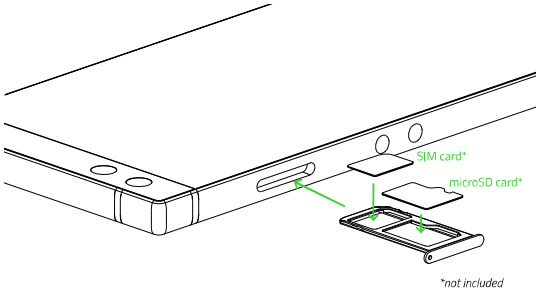
GETTING STARTED

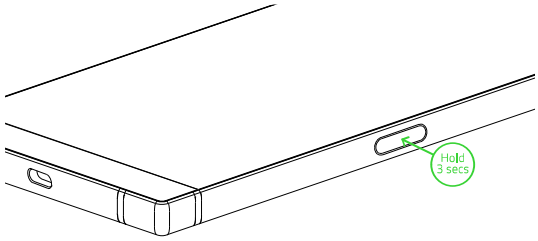
1. Insert your SIM eject pin. Place your SIM card in the tray that pops out.



2. If you have a microSD card, place it in its allocated slot.



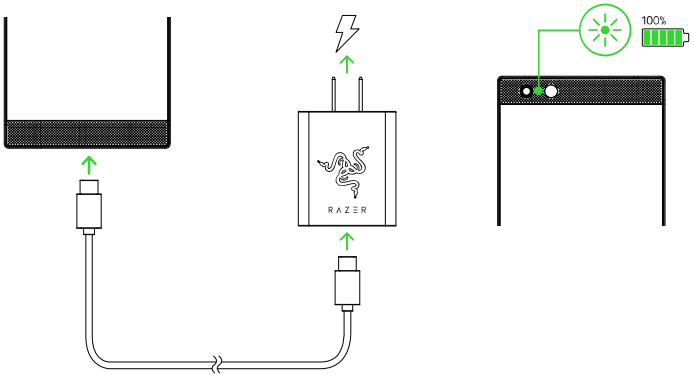
3. Now, you're ready to turn your phone on.



ⓘ Depending on your carrier, your phone may come with a pre-installed SIM card. If you plan to use a microSD card, we recommend a Class 10 microSD card variant (up to 2TB).

CHARGING YOUR RAZER PHONE 2

Connect the Quick Charger to your Razer Phone 2, plug it in, and wait for it to fully charge.



PERSONALIZE YOUR PHONE'S LIGHTING

Change the Razer logo's lighting effects and customize it to match your notifications. Enjoy the power of Razer Chroma on your phone using any of the effects below or a custom lighting effect of your creation, through the Chroma Configurator app preinstalled!
