

USER MANUAL STATEMENT LETTER

Date: June 18, 2014

Re: Certification for Keyless entry system
FCC ID: RX2RKE192

The device under test is manufactured by the grantee (MAGNETI MARELLI S.p.A.) and sold as an OEM product. Per 47 CFR 2.909, 2.927, 2.931, 2.1033, 15.15(b) etc..., the grantee must ensure the car manufacturer has all applicable /appropriate operating instructions.

When end-user instructions are required, the grantee must notify the OEM to notify the end-user.

MAGNETI MARELLI S.p.A. will supply the following information to the reseller/distributor (car manufacturer) dictating what must be included in the end user's manual for the commercial product:

INFORMATION TO BE INCLUDED IN THE END USER'S MANUAL

The following information must be included in the end product user's manual to ensure continued FCC regulatory compliance.

Modification statement

Magneti Marelli has not approved any changes or modifications to this device by the user. Any changes or modifications could void the user's authority to operate the equipment.

Interference statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

It is preferred that the following ID numbers be included in the manual if the device label is not readily accessible to the end user.

FCC ID: RX2RKE192

The following information should be provided to the end user by citation in the manual.

Radiation exposure statement

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment and meets the FCC radio frequency Exposure Guidelines in Supplement C to OET65. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
