Gentlemen:

In accordance with 0.459 of CFR 47, **AIJI SYSTEM CO., LTD.** hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagrams attachment, Operational Description attachment, and Part List/Tune-Up Procedure attachment for the above-referenced Certification application.

These documents contain detailed system and equipment description and related information about the product which **AIJI SYSTEM CO., LTD.** considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public.
