Re: Request of Confidentiality

Pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment of information accompanying as outlined below:

Schematics, Parts List, Operating Description, Block Diagram, and Internal Photographs.

The above materials contain trade secrets and proprietary information not customarily released to the public. It takes a special tool to disassemble the GR-250 RFID reader and gain access to internal components. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

Sincerely,

William W. Culberth
