To Whom It May Concern:

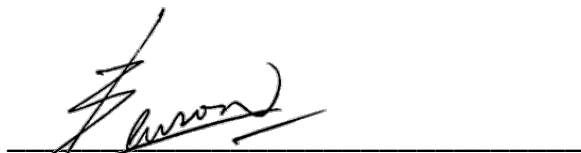

Authorization for the applications of compliance programs

We, hereby, authorize Prime Electronics And Satellites Incorporation ("Prime") to manage the applications of compliance programs such as CE and FCC regarding the products that are designed and manufactured by Prime for Entone Technologies (HK) Ltd. ("Entone") and to sign on behalf of Entone on the relevant application documents.

This authorization expires together with Electronics Design and Manufacturing Services Agreement signed between Prime and Entone on March 2, 2012.

Thank you very much.

For and on behalf of Entone Technologies (HK) Ltd.,
