

KHN SOLUTIONS, LLC.

FCC Equipment Authorization Application Cover Letter – FCC ID S8B-Z9

To Whom It May Concern,

This letter is submitted in support of an application for FCC equipment authorization for the radio device described below.

Applicant:

KHN Solutions, LLC (DBA BACtrack)

Corporate Entity Clarification:

KHN Solutions Inc was formally converted to KHN Solutions, LLC on November 3, 2022.

This conversion was a legal change in corporate structure only and did not involve any change in ownership, management, control, or operational activities.

KHN Solutions, LLC (DBA BACtrack) is the same continuous legal business entity previously operating as KHN Solutions Inc. The FCC grantee information referencing “KHN Solutions Inc” reflects records established prior to the corporate conversion.

All equipment authorizations, filings, and regulatory responsibilities remain under the same entity now organized as KHN Solutions, LLC.

Product Description:

The device is a Bluetooth-enabled radio transmitter intended for consumer electronic applications.

Model Number:

BT-Z9

FCC ID:

S8B-Z9

Type of Equipment Authorization:

This application is submitted for Original Certification.

Applicable FCC Rule Parts:

The device has been evaluated for compliance with the applicable FCC rules, including:

FCC Part 15.247

FCC Part 15B, as applicable

Radio and Test Configuration Information:

The device does not incorporate a pre-approved radio module and is not a software-defined radio (SDR). All testing was performed on a representative production-equivalent sample.

This application includes the required technical documentation, including test reports, internal and external photographs, user manual, labeling information, and operational descriptions. All test reports were generated using consistent RF configurations representative of the final production device. No differences in RF circuitry or operating parameters exist between the samples evaluated.

If additional information or clarification is required, please contact the undersigned.

Sincerely,

Tania Sanchez
