

15.5 EUT Photo: Open Case View

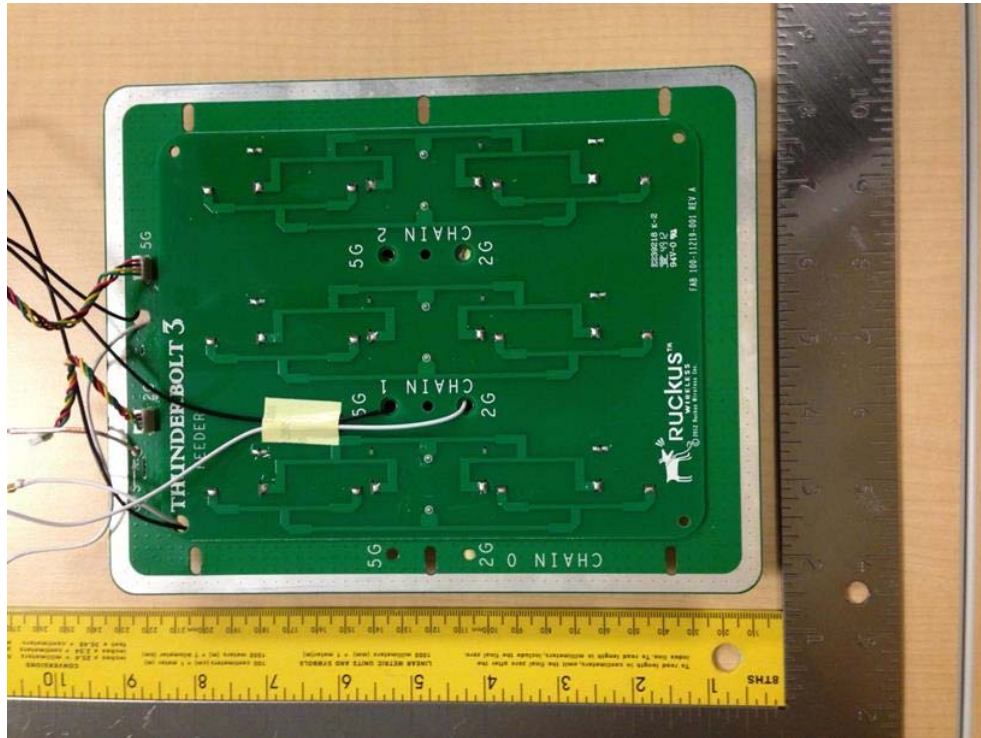

15.6 PCB2 Santorini-N Interface: Front View

A photograph of a green printed circuit board (PCB) with a complex layout of copper traces, pads, and vias. The board is rectangular with rounded corners and features several circular holes along its top edge. It is positioned next to a yellow ruler and a silver metal ruler for scale.

The image shows a Ruckus Thunder Bolt 3000 3x3 wireless mesh network node. The device is a green printed circuit board (PCB) mounted in a white plastic enclosure. It features a central processing unit, multiple antennas, and various connectors. The PCB is labeled with "THUNDER BOLT 3000", "GROUND", and "CHAIN 0". A yellow ruler is placed below the device for scale.
