AC1000 - LABEL EXAMPLE

The label will be laser-engraved on the radar sensor rear housing, on the side.

Picture 1 shows the “J location” which will include all regulation labels. Picture 2 shows an example of how it will look like.

The following information will also be engraved:

Model: AC1000

FCC ID: S9I-AC1000

IC: 5860A-AC1000

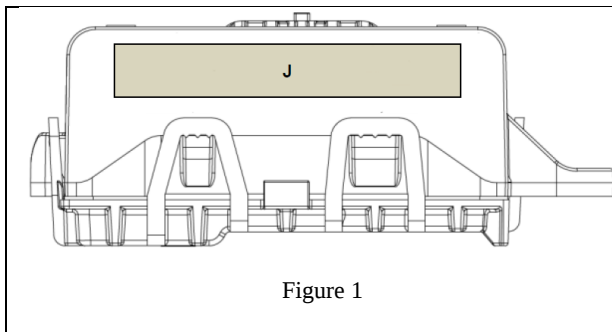

Figure 1

Figure 2

Note: The label will be affixed on production part. It was not possible to have a photo at the time of the documentation.

Date: 30 / 01 / 2018

City: PLOUZANE (FRANCE)
