MRGEN21 – LABEL EXAMPLE

The label will be laser-engraved on the radar sensor front housing. Figure 1 shows “J location” where all the regulation labels will be engraved.

The following information will also be engraved:

Model: MRGEN21
FCC ID: S9I-MRGEN21
IC: 5860A-MRGEN21

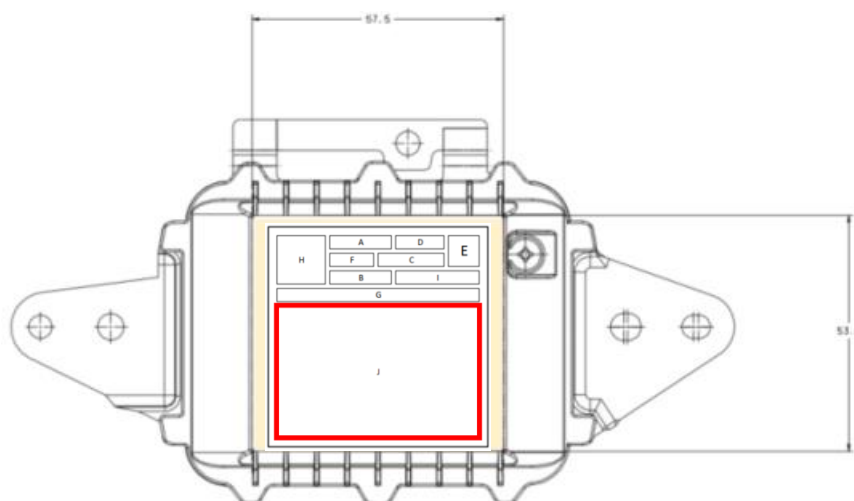

Figure 1

Note: The label will be affixed on production part. It was not possible to have a photo at the time of the documentation.
