## Confidentiality Request

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

Subject: Application for FCC Certification – Confidentiality Request  
Applicant: SmartLabs, Inc. FCC ID: SBP-WR01

To Whom It May Concern:

This letter is to comply with 47 CFR Sections 0.457(d) and 0.459 pertaining to confidential material. These sections authorize a withholding from public inspection materials that would be privileged as a matter of law if retained by the person submitting them and materials which would not customarily be released to the public by that person.

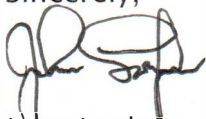

| Type of Confidentially Requested |            |   |           | Exhibit                      |
|----------------------------------|------------|---|-----------|------------------------------|
|                                  |            | ✓ | Permanent | All Schematics               |
|                                  |            | ✓ | Permanent | All Block Diagrams           |
|                                  |            | ✓ | Permanent | All Operational Descriptions |
| ✓                                | Short Term |   |           | External Photographs         |
| ✓                                | Short Term |   |           | Internal Photographs         |
| ✓                                | Short Term |   |           | Test Setup Photographs       |
| ✓                                | Short Term |   |           | User Manual                  |

The above material contains trade secrets or technical data that is protected by SmartLabs as confidential and that would customarily be guarded from competitors. We do not want these documents to be accessible to the general public.

For the Short-Term Confidentially documents, SmartLabs request these be withheld from public viewing for one hundred eighty (180) days after the date the grant of equipment authorization is issued. Those documents reveal technical and design information that has not been publicly disclosed during initial marketing activities and are regarded as trade secrets by Smartlabs. This information may be disclosed to those required to maintain its confidentiality, and is not customarily disclosed publicly prior to the commercial release of the device.

If you have any further questions or need additional information, please feel free to give me a call at 949-221-0037 ext. 132

Sincerely,

John Lockyer  
Sr. Product Development Manager, SmartLabs, Inc.
