RE: Evermore Systems Smart Swing Golf Club
FCC ID: SYBSSC1

Please be advised that the following information is a list of modifications that will be included in the production process for the above-referenced equipment

- Added ferrite to charger cable nearest plug that mates with the golf club in order to pass Radiated Emissions - 207 MHz through 288 MHz.

Thank you for your attention to this matter.

A handwritten signature in black ink, appearing to read "John Lupher".
