Gentlemen:

AMDS LLC respectfully requests confidentiality of certain materials provided with the submission of the GFL under FCC ID: SDBGFL in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

- Schematics
- Parts Lists
- Theory of Operations
- System Block Diagrams
- Tune-up Procedures

The GFL has been developed at considerable effort and expense by AMDS LLC. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Robert J. Davis Signature: _____

Title: Principal RF Engineer Date: 05/31/2006
