Gentlemen:

AMDS LLC respectfully requests confidentiality of certain materials provided with the submission of the TGB001LP under FCC ID: SDBTGB001LP in accordance with FCC Regulations 0.459. The confidentiality request applies to the following:

- Schematics
- Parts List
- Theory of Operations
- System Block Diagram
- Tune-Up Procedure
- Any other documents marked "confidential" on the documents themselves.

The TGB001LP has been developed at considerable effort and expense by AMDS LLC. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Robert J. Davis
