REQUEST FOR CONFIDENTIALITY – FCC

FCC ID: SDL-PM50A

Pursuant to Sections 0.457 and 0.459 of the FCC Rules, Hilti Corporation hereby requests permanent confidential treatment of exhibits identified as such in the table below and requests they are permanently withheld from public review based on the documents containing trade secrets and proprietary information not customarily released to the public. The public disclosure of this information might be harmful to the applicant and provide unjustified benefits to its competitors.

Hilti Corporation also requests short-term confidentiality (STC) on certain exhibits until the intended date of marketing as outlined below. We request the exhibits be withheld from public view until 11.11.2026

Exhibit	Type of Confidentiality Requested	
Block Diagrams	☒ Permanent	☐ Short Term
Operation Description	☒ Permanent	☐ Short Term
Software defined radio & security info	☐ Permanent	-----
Schematic Diagrams	☒ Permanent	☐ Short Term
User's Manual	☐ Permanent	☒ Short Term
ID Label/Location	-----	☐ Short Term
Attestation Statements	-----	☐ Short Term
Test Report	-----	☐ Short Term
RF Exposure Info	-----	☐ Short Term

Note 1: any documents held under the Short-Term confidentiality will automatically become public after the requested time. Any exhibits (i.e., schematic diagrams) that may have already been requested to have "Permanent" confidentiality as shown above need not be repeated under Short-Term confidentiality request.

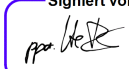

Note 2: **Exhibits marked for STC with a period exceeding 180 days will be flagged** and CBs/Applicants may have to provide adequate justification if that was not already included in the certification application. Short-term confidentiality is strictly to allow manufacturers to delay public access of exhibits, which would otherwise automatically be treated as non-confidential, until a planned event (e.g., marketing event / product launch) takes place.

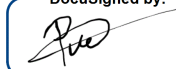

Please note, that Hilti Corporation, Feldkircher Strasse 100, 9494 Schaan, Liechtenstein, has authorized and appointed its 100% owned subsidiary Hilti Entwicklungsgesellschaft mbH, registered at Hiltistrasse 6, 86916 Kaufering, Germany, hereinafter referred to as "Hilti Entwicklungsgesellschaft" by authorization dated 10.02.2021 to represent Hilti Corporation in all matters relating to the approval and certification of Hilti products and to delegate this authorization to third parties and grant sub-authorisation.

Sincerely,
