Columbia, MD 21046

Re: Banksys application for GSM module to be used in point of sales terminals.

FCC ID: SEKMC56

Gentlemen:

Banksys requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application such that the identified material will be withheld from public inspection following the grant of this authorization. This material, as indicated by request for confidentiality of the item during the electronic submission process and further identified below, includes:

1. Schematic or circuit diagrams.
2. Block diagram
3. Operational description
4. Parts List

Specifically, these exhibits contains information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that Banksys does not customarily release to the public and which is otherwise not generally available to the public.

Please contact the undersigned by phone at 410-531-3439, by fax at 410-531-0807, by email at jinglis@erols.com, or by correspondence at the address below if there are any further questions or additional information needed concerning this filing.

Regards,

(signed)
