Declaration on compliance for third party module

Brussels, 23 May 2017,

TO WHOM IT MAY CONCERN

The device, model 9075010001 with FCC ID: SEKMOPLU200 / IC: 5264A-MOPLU200, is equipped with a WLAN, Bluetooth and NFC transmitter for which this approval is sought.

Additional to above the device may carry the modular cellular transmitter Lisa U-200 (FCC ID: XPYLISAU200 / IC:8595A-LISAU200).

To cover the collocated RF Exposure situation, the SAR report includes the cellular situation too.

Devices that will carry the cellular transceiver are additional labelled with “contains FCC ID.....”

We, Worldline s.a./n.v., declare on our sole responsibility that the cellular transmitter-antenna configuration used in this device is fully in compliance with manufacturer’s demand, the regulatory requirements and the restriction shown in the original cellular grant.

If you have any questions, please feel free to contact us at the address shown below

Sincerely,
