Limited Modular approval. Output power listed is Conducted(Maximum peak).
Compliance of this device in all final host configurations is the responsibility of the
Grantee. OEM integrators and end-users must be provided with specific operating
instructions for satisfying RF exposure compliance. The antenna of this device must
not be co-located or used in conjunction with any other antenna or transmitter
except the conditions in accordance with FCC multi-transmitter product guidelines..
OEM integrators are instructed to ensure that the end user has no manual
instructions to remove or install the device. This module can only be used with a host
antenna circuit trace layout design in strict compliance with the OEM instructions
provided.
