Earbud Tips

Micro USB Charging Cable

Charging the Bluetooth Headphones

1. Connect the small end of the Micro USB cable to the charging port on the headphones.
2. Connect the large end of the Micro USB cable to your computer's USB port or an AC adapter (not included).
3. The LED indicator light turns RED when charging.
4. When fully charged, the LED indicator light turns BLUE.

NOTE: When the power is low, a voice prompt "Battery low" will be heard every 20 seconds, while the LED indicator light turns RED and begins to flash.

Make sure you charge your headphones for at least 2 hours before using them for the first time.

Location of Controls

1. [+] **button:** • quickpress = volume up
 • press and HOLD = next track
2. [▶II] **button:** Power; play/pause music; answer call
3. [–] **button:** • quickpress = volume down
 • press and HOLD = previous track
4. Micro USB charging port
5. Microphone
6. LED indicator light

Pairing the headphones with a Bluetooth enabled device

1. Press and HOLD the [▶II] button for 5 seconds to turn ON the Bluetooth headphones and enter pairing mode.
2. A tone and the voice "Pairing" will be heard. The LED indicator light will alternately flash RED and BLUE.
3. Keep your Bluetooth headphones and Bluetooth enabled device within **3** feet of each other during the pairing process.
4. Set your mobile phone or other Bluetooth enabled device to search for Bluetooth devices.

If a paired device is in range when the sound bar is in Bluetooth mode, the headphones will connect to it automatically.

On an iPhone
• Go to SETTINGS > BLUETOOTH
(Make sure Bluetooth is turned ON)

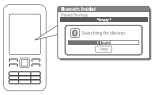

On a Blackberry
• Go to SETTINGS/OPTIONS > BLUETOOTH
• Enable BLUETOOTH

On an Android Phone
• Go to SETTINGS > BLUETOOTH > MENU > Search for devices (Make sure Bluetooth is turned ON)

On other Cell Phones/Devices
• Review the instruction manual that came with your phone/device.

5. When the Bluetooth enabled device finds the headphones, select "SBT517" from the list of found devices.
6. If required, enter the password 0000. Select OK or Yes to pair with your device.
7. After a successful registration, a tone will sound and the voice "Pairing successful" will be heard. The the LED indicator light will slowly flash BLUE.

NOTE: The SBT517 supports Multi-connection that allows for the simultaneous use of the headphones with two mobile phones. After pairing successfully with two mobile phones, turn off the headphones and then turn them on again — the headphones will connect to both phones automatically.

The screenshots above are typical of many Bluetooth enabled devices in the market today, and are used to assist in the explanation of the pairing process. Your Bluetooth enabled device's interface and interaction with the headphones may slightly differ from the illustrations above.

Using your Bluetooth Headphones

Powering ON/OFF
• To turn **ON**, press and HOLD the [▶II] button for 3 seconds. A tone and the voice "Power on" will be heard.
• To turn **OFF**, press and HOLD the [▶II] button for 3 seconds. A tone and the voice "Power off" will be heard.

Adjusting the volume
Quickpress the [+] button to increase the volume.
Quickpress the [–] button to decrease the volume.

NOTE: You can also adjust the volume from your mobile phone's volume control.

Answering/ending a call
• To answer a call, quickpress the [▶II] button.
• To end a call, quickpress the [▶II] button again.

Rejecting an incoming call
To reject an incoming call, press and HOLD the [▶II] button for 2 seconds.

Redialing the last number called
In standby, double press the [▶II] button. The last number called will be redialed.

Redialing the last number is possible only for the first device if two mobile phones are connected. The connection sequence can be determined by reconnecting manually.

Transferring a call to your phone
Press and HOLD the [+] button for 2 seconds to transfer the call between the phone and headset.

Call waiting
• If there is an incoming call while a call is in progress, quickpress the [▶II] button to accept the waiting call and end the current call.
• If there is an incoming call while a call is in progress, press and HOLD the [▶II] for 2 seconds to accept the incoming call and place the current call on hold.

Mute
While a call is in progress, press and HOLD the [–] button for 2 seconds. While it is in mute mode, you will hear a beep every 10 seconds. To cancel mute mode, press and HOLD the [–] button again.

The music will pause automatically while a call is dialed out/incoming, and resume when the conversation has ended.

Battery status
Quickpress the [+] button 2 times, and a voice will state the battery power level status.

Wearing the headphones
Follow the illustrations below to properly wear the headphones.

Playing Music

To enjoy wireless music on your Bluetooth Headphones, make sure you are connected to a Bluetooth enabled device. Once connected, you can control the music with the controls on your connected device (which must have the AVRCP Bluetooth profile).

*Most media enabled smart phones will display "**Connected to phone audio and media**" when connected to the Bluetooth headphones. This means you can make phone calls and enjoy your music.*

Adjusting the volume
• Quickpress the [+] button to increase the volume.
• Quickpress the [–] button to decrease the volume.

NOTE: You can also adjust the volume from your mobile phone's volume control.

Play/pause
• Quickpress the [▶II] button to play/pause music.
• Press and HOLD the [▶II] button to stop play.

Skipping songs
• Press and HOLD the [+] button to skip to the next track.
• Press and HOLD the [–] button to skip to the previous track.

Troubleshooting Tips

I can pair the Bluetooth headphones with my Bluetooth device, but I cannot hear any music.

1. Make sure your Bluetooth device supports A2DP profile.
2. Turn up the volume on your Bluetooth device.
3. You may have to unpair the headphones, then re-pair to your device.

I cannot get the Bluetooth headphones into Pairing mode.

1. Make sure the Bluetooth headphones are turned ON before beginning the pairing process.
2. A tone will sound, indicating that the headphones are in pairing mode. The LED indicator light will alternately blink RED and BLUE.
3. Check that the headphones are charged.

My Bluetooth Device is not able to pair with the Bluetooth headphones.

1. Make sure the Bluetooth headphones are turned ON before beginning the pairing process.
2. Keep your headphones and Bluetooth enabled device within 3 feet of each other during the pairing process.
3. Check that YOUR device's Bluetooth feature is turned ON.
4. Try repeating the pairing process, see "Pairing the headphones with a Bluetooth enabled device".

Legal information

FCC Part 15:
This equipment has been tested and found to comply with the requirements for a Class B digital device under Part 15 of the Federal Communications Commission (FCC) rules. These requirements are intended to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.

Do not attempt to repair or modify this equipment.
Warning: Changes or modifications to this equipment not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation."

Limited Warranty

90 Days Limited Warranty
In the unlikely event that this product is defective, or does not perform properly, you may within ninety (90) days from your original date of purchase return it to the authorized service center for repair or exchange.

TO OBTAIN WARRANTY SERVICE:
- Provide proof of the date of purchase within the package (Dated bill of sale).
- Prepay all shipping costs to the authorized service center, and remember to insure your return.
- Include a return shipping address (no P.O. Boxes), a telephone contact number, and the defective unit within the package.
- Describe the defect or reason you are returning the product.

Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective. Products received damaged as a result of shipping will require you to file a claim with the carrier.

The shipping address of the authorized service center is:
Southern Telecom, Inc.
Attention: Customer Service (2nd Floor)
14-C 53rd Street
Brooklyn, NY 11232

Should you have any questions or problems concerning this product, please contact our customer service department at:

Warranty service not provided
This warranty does not cover damage resulting from accident, misuse, abuse, improper installation or operation, lack of reasonable care, and unauthorized modification. This warranty is voided in the event any unauthorized person opens, alters or repairs this product. All products being returned to the authorized service center for repair must be suitably packaged.

Limitation of Warranty:
• THE WARRANTY STATED ABOVE IS THE ONLY WARRANTY APPLICABLE TO THIS PRODUCT. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED (INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE HEREBY DISCLAIMED. NO VERBAL OR WRITTEN INFORMATION GIVEN BY AIT, INC. IT'S AGENTS, OR EMPLOYEES SHALL CREATE A GUARANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS WARRANTY.

• REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER. AIT, INC. SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. THIS DISCLAIMER OF WARRANTIES AND LIMITED WARRANTY ARE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE APPLICABLE WARRANTY PERIOD SET FORTH ABOVE.

Some states do not allow the exclusion nor limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you also may have other rights that vary from state to state.
