

PAIR SPEAKER AS "BP-BT-SP"

BLAUPUNKT SMART WIRELESS WIFI SPEAKER SMART WIRELESS WIFI SPEAKER USER MANUAL	FOC INFORMATION This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Federal Communications Commission (FCC) Statement This Equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna. - Increase the separation between the equipment and receiver. - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. - Consult the dealer or an experienced radio/TV technician for help. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user authority to operate the equipment. Tested to comply with FCC standard, FOR HOME OR OFFICE USE. Warning : This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This device and its antenna(s) must not be co-located or conjunction with any other antenna or transmitter.	PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE USING YOUR SMART WIRELESS WIFI SPEAKER. KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE. 1. Be sure to follow the safety warnings listed below: 2. Do not assemble, throw away or damage the speaker . 3. Store the speaker in a dry place, keeping it away from damp corrosive materials and environments, such as salt air. 3. Keep the speaker away from direct sunlight, fire, and high voltage equipment. Do not store the speaker inside a car during hot weather. Remember a closed car acts as a greenhouse allowing the inside temperature to possibly reach over 200F. 4. The speaker are not toys. Please keep it out of the reach of young children. Please do not discard this rechargeable device as trash. Consult your local waste collection agency for proper disposal or recycling method. You may also contact "CallRecycle.org" at 877-733-2953 or online at "callRecycle.org" for a battery recycling drop off location near you.
