

Label & Location

Raytac Corporation
FCC ID: SH6MDBT42Q
IC: 8017A-MDBT42Q
CMIIT ID: XXXXXXXXXX
Model No.: MDBT42Q-U

The diagram illustrates the location of the EUT label on a device. It consists of a large outer rectangle representing the device. Inside this rectangle, in the upper-left corner, is a smaller rectangle representing the label area. The label area is labeled 'EUT'. An arrow originates from the text 'Model No.: MDBT42Q-U' in the block above and points directly to the 'EUT' label area.
