ADVENTURE TALKIES™

FUNCTIONS:

- A** ON/OFF switch
- B** Talk button
Push it to make the eyes roll up too!
- C** Light indicator
- D** Microphone
- E** Speaker

INSTRUCTIONS:

Press & hold the button to speak and watch the eyes roll up.

The light turns **green** while you're holding the button – this indicates that you can speak.

The light turns **red** while the other person is holding the button and speaking.

When the light is **yellow**, anyone can start speaking.

INFORMATION

- Clean the surface of each walkie-talkie with a slightly damp cloth. Do NOT immerse in water.
- To save the batteries, turn off the walkie-talkies when not in use.
- Remove the batteries when the units are not in use for an extended period of time.
- When the unit's functions lose performance, follow the instructions to carefully install new batteries.

REPLACING BATTERIES

Requires 3 x AAA (1.5V) batteries for each walkie-talkie. Batteries not included.

Non-rechargeable batteries are not to be recharged. Rechargeable batteries are to be removed from the toy before being charged.

Rechargeable batteries are only to be charged under adult supervision.

Different types of batteries or new and used batteries are not to be mixed.

Only batteries of the same or equivalent type as recommended are to be used.

Batteries are to be inserted with the correct polarity. Exhausted batteries are to be removed from the toy. The supply terminals are not to be short-circuited. ATTENTION: When the module's functions lose performance, follow instructions carefully to install new batteries.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and receiver. • Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. • Consult the dealer or an experienced radio/TV technician for help.

IC: 10718A-24BB24T01

FCC ID: SLU24BB24T01

RADIO FREQUENCY BAND: 2.4Ghz

MAXIMUM RF POWER: -34.40dBm

OPERATING VOLTAGE RANGE: $V_{nom} = 4.5V$, $V_{min} = 3.825V$, $V_{max} = 4.5V$

OPERATING TEMPERAURE RANGE: $-10 \sim +45^{\circ}C$

ANTENNA TYPE : Wire Antenna, with odBi gain.

Declaring Organization: Maison Battat Inc. 8440 Darnley Road, Montreal, P.Q. H4T 1M4.

Product Name: Adventure Talkies™

Product style or item: BT1819

Operating Frequency: 2.4GHz

Electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.

Products with batteries should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.

The device has been evaluated to meet general RF exposure requirement.

The device can be used in portable exposure condition without restriction.
